ACTION

Visitors to Be Heard: Members of the public may speak now on any topic NOT on the agenda. Remarks are limited to 5 minutes and no decision will be made at this time.

Agenda Items: Member testimony will be taken at the beginning of each agenda item, after the subject has been announced by the President and explained by staff. Any member who wishes may speak one time for 5 minutes on each agenda item. Member testimony will then be closed, and the topic will be given to the governing body for possible action. At this point, only members of the Board of Directors and staff may discuss the current agenda item unless a Board member moves to allow another person to speak and there is unanimous consent from the Board. Questions from Board members, however, may be directed to staff or a system member through the presiding officer at any time. In some circumstances, the President may choose to take agenda items out of the listed order.
